Physical boundaries of Westwood

Westwood, the largest neighborhood in the City of Cincinnati is located in the northwest portion of the city and is bounded as follows:

Traveling northwest on Harrison Avenue, Westwood begins at Hansford place and extends south through the wooded area to Queen City Avenue. Westwood includes the streets of Carnes, Champlaign, High and Tille which run north off Queen City. The boundary includes the north side of Queen City Avenue and extends west on Queen City Avenue to Sunset Avenue. The border then runs south on Sunset Avenue, including the west side of the B & O railway (since removed) and extends south and west to include the Dunham Recreation Complex. As the B & O railway crosses Boudinot, the Westwood boundary extends south on Crookshank Avenue,

and includes the west side of Crookshank Avenue to the city limit boundary with Green Township.

Westwood borders Green Township and the city of Cheviot on its western extremity. Westwood's northern border continues from the city limit, through Mt. Airy Forest, to the west fork of the Mill Creek, where it is separated from the neighborhoods of Mount Airy and Northside, on the "north side" of the creek. From the intersection of Montana and the west fork of the Mill Creek, Westwood encompasses the west side of Montana Avenue then extends due south through the wooded area toward the intersection of Westwood Northern Boulevard and McHenry Avenue.

The eastern border of Westwood extends from McHenry and Westwood Northern Boulevard in a southern direction to include the streets of Cavanaugh, Atlin, Costello, Ruberg, Baker, Robert, Pickmeyer, St. Leo Place and North & South Teralta. From Baker and Harrison, the boundary then joins Harrison and Hansford to complete the border.
