Discussion on Zoning Variance Requested for 3049 Daytona Avenue.

Vice-Pres. Joel Kimmet, of the Buildings and Properties Committee, responded to this address today, and looked at the area in the back yard where the residents want to build a garage. He could see no issues with the site for the proposed garage, or its relation to the neighbors. Just 3 doors down, on the same side of the street, is another 2-story garage. All the other houses have some kind of a garage in the rear corner of the back yard. This address (3049) is the only house that does not have a detached garage. VP Kimmet asked WCA to support this proposal and the variance. Discussion. No action taken.

There are three events coming up in Westwood during the next month: 1) WW Women's Fair at the WTH, 2) WW Plant Swap at Dunham Park, and 3) WW Pop-Up Beer Garden, at St. James Church.

With nothing further, MOTION to Adjourn by Emily Reynolds, SECOND by Joe Corso.

Meeting Adjourned by President Jenkins at 9:00 pm.

Submitted by Joel Kimmet.
