## FELLOW WESTWOODIANS,

The groundbreaking ceremony for the Westwood Town Hall Grounds was held on June 28th. Mayor John Cranley had great things to say about our progress as a neighborhood and is excited for what is still to come. When complete, the park renovation will be a huge asset to Westwood, creating space for all of to connect and build community. The bulk of the work will be completed this fall, though final completion is scheduled to occur in April of 2019. Town Hall will have limited access and CRC is moving their programming to Westwood School for the summer months. You can find more info and see new renderings here: <https://www.cincinnati-oh.gov/cityofcincinnati/news/city-westwood-break-ground-on-renovated-westwood-town-hall-park/>

The continued improvement in our neighborhood comes from individuals stepping up and volunteering in the best way they see fit. We have a need for more Citizens on Patrol members and for residents to participate in their block watch. Westwood Civic has several committees which are in need of members to join and help meet their goals. And as always, please continue to pick up trash, look out for your neighbors, and say hi to those new to our neighborhood. It is amazing what a simple smile can accomplish. If you are interested in a task mentioned above please contact us at [info@westwoodcivic.org](mailto:info@westwoodcivic.org).

Westwood Works is hosting the 2nd Second Saturday of the year on July 14th! The theme is MOVE! The event runs from 5pm to 10pm. Be sure to come on out and meet your neighbors! More details here: <https://www.facebook.com/events/165612627445999/>

The Cincinnati Neighborhood Games takes place from July 20th to July 28th! The Red-Bike Torch Relay will come through Westwood and stop at Westside Brewing on Friday, July 20th around 3:45 pm. Come out and cheer the relay on! Opening Ceremonies is July 21 at Washington Park at 7 pm and finals begin the next day. Check out [www.CincyGames.com](http://www.CincyGames.com) to learn more or email us and we will put you in touch with our Captain, Karen Strasser.

I continue to be impressed by your hard work to make #OurWestwood a welcoming place for everyone to call home.

Sincerely,

*Henry Frensdorff*

## Once Upon a Westwood Summer

Wednesday, July 11, 7:00 pm

Westwood First Presbyterian Church

3011 Harrison Avenue (enter from Koenig Ave)

Our July meeting takes us to Westwood summers of the past. We invite those of you (and relatives, friends or neighbors) who grew up in Westwood to come and share stories of the people, places and activities that were part of your summers – time spent at the "summer Y", swimming at Westwood Commons, riding bikes, roaming far and wide, games you played, trouble you got into, etc. Maybe you have stories your parents told. Help us to stretch back as far as the 1930's (or earlier?) and anywhere in between. Pictures or other memorabilia are welcome!

Not a native Westwoodian? New to Westwood? Please come! Ask questions and hear stories about Westwood and how it has changed. Our trip back in time will be lead by Jim Bodle, PhD, from Mt. St. Joseph University. Jim, Westwood Historical's secretary, has expertise in memory and storytelling.

## The Ward Heeler & The Spirit Children

Wednesday, July 18, 8:00 p.m

Muse Café (corner of Montana and Harrison Avenues)

Greg Hand explores an uncanny chapter in Cincinnati's history. Lewis Kraft was a hard-nosed, no-nonsense politician, one of Boss Cox's most trusted lieutenants. Kraft pulled himself up by his bootstraps and bought a nice home in Westwood. He had everything except an heir. So, when a clairvoyant medium named Plymouth Weeks claimed she could produce children from the spirit realm, Lewis Kraft was all ears.

## central ISSUANCE

In an effort to ensure greater security and identification protection for customers, and to comply with federal regulations, the Ohio Bureau of Motor Vehicles is introducing a single, central point of production for state driver licenses and identification cards, effective July 2, 2018.

While customers will still go to a Deputy Registrar for license and identification card renewals or other transactions, they will receive their driver licenses and identification cards by mail rather than over the counter.

A temporary proof of transaction will be issued at a Deputy Registrar location.

## dates to REMEMBER

**July 2, 2018 - New Driver License and Identification Cards**

To ensure greater security and identity protection for customers, and to comply with federal regulations, the Ohio Bureau of Motor Vehicles is introducing a new Driver License and Identification card, which will be produced in a central location, and will be received by you through the mail.

**October 1, 2020 - Renew Early**

Ohio Driver License and Identification cards, issued prior to July 2, 2018, will not be accepted by the Transportation Safety Administration (TSA) after October 1, 2020.

Ohio Department of Public Safety  
1970 West Broad Street  
Columbus, Ohio 43223

## ohio's NEW DL-ID

**COMING  
JULY 2, 2018**

## what's CHANGING

Beginning July 2, 2018, customers will be:

- Receiving their state driver licenses and identification cards by mail in about 10 days after visiting a Deputy Registrar;
- Receiving a temporary card/confirmation of driving privileges until the card arrives in the mail; and
- Having the option to have a driver license or identification card that is acceptable for federal identification purposes.

## reducing FRAUD

Centralizing the production of driver licenses and identification cards will reduce fraud and identity theft by:

- Ensuring driver licenses and identification cards are issued to legitimate cardholders only;
- Preventing loss and theft of secure materials from Deputy Registrar agencies; and
- Providing a more secure printing environment, sparing the costs associated with security renovations at local Deputy Registrar agencies.

## national travel SECURITY REQUIREMENTS

New federal travel restrictions requiring secure identification go into effect October 2020 and Ohio is getting a jump-start on this process beginning July 2, 2018.

- Customers interested in using their state-issued credential for access to federal facilities or services, such as airport security screening by the Transportation Safety Administration for boarding commercial airlines, may choose to obtain a compliant credential that meets all federal requirements.
- Customers choosing this option when obtaining a new or renewed driver license or identification card will be required to provide documentation proving their name and date of birth, Social Security number such as a Social Security card, birth certificate or passport, and two additional documents proving residential address, such as utility bills.
- Customers not interested in or not needing to use their state-issued credential for federal identification purposes will have the option of obtaining a standard driver license or identification card without additional document requirements beyond those currently in place.

## what's NOT CHANGING

- Deputy Registrars will continue to be part of the driver license and identification card issuance process.
- Customers will still initiate driver license and identification card transactions by visiting a Deputy Registrar agency, presenting documents (as needed) and be photographed.
- Driver licenses and identification cards will continue to be valid for four years and require a new photograph with every renewal.
